About the Guild and the Museum of Arts and Sciences

Major fund-raisers presented by the Guild of the Museum of Arts and Sciences are: the Halifax Art Festival, the Festival of Trees and the Golf Classic Tournament. The Museum of Arts & Sciences (MOAS) is the primary art, history and science museum in Central Florida. Located on a 90-acre Florida nature preserve, the 100,000 square foot facility is host to over 30,000 objects including the finest collection of American Art in the southeast, the largest collection of Cuban art outside of Cuba and Florida's prehistoric Giant Ground Sloth. Also on display, is Coca-Cola entrepreneur Chapman Root's lifetime collection of Americana. The museum's theater, planetarium, and new children's museum make for a truly interactive experience. Visit www.moas.org for more information. *MOAS programs are sponsored in part by the State of Florida, Department of State, Division of Cultural Affairs, the Florida Arts Council, the National Endowment for the Arts and the County of Volusia.*
