FAQs

From the Summer Learning Institute homepage, click on one of the buttons to register for classes for your chosen age group.

Summer Learning Institute

The annual Summer Learning Institute focuses on art, science, and history, with many integrated learning experiences for our students. All classes are taught by education professionals with many years of teaching experience. The Museum of Arts & Sciences and our [Charles and Linda Williams Children's Museum](#) provide interactive and engaging experiences for each of our Summer Learning Institute students.

Once you are on the registration page you see buttons to “Create Account” or “Sign In” in the top right corner. We implemented a new system in December 2022 that requires a login for members to take advantage of their membership benefits. If you have not created a login you will click the button to create one here. If you have created a login, you will login using the email address associated with your membership account and the password you created. ***Please note that when creating a password it must be 12 characters in length and must have at least one numeric and one special character, at least one lowercase letter and one uppercase**

letter. The password cannot contain your name(s), username, or organization name in any text direction.
