THE DR. DONALD KEENE WINNER'S TROPHY

Donated by

The Family of Dr. Donald Keene

**WELCOME TO THE SEVENTH ANNUAL
CHILDREN'S MUSEUM GOLF CLASSIC
BENEFITTING THE CHARLES AND LINDA
WILLIAMS CHILDREN'S MUSEUM.**

We are excited to host you at the beautiful Plantation Bay Golf & Country Club for 18 holes of golf, followed by the Awards Celebration, including delicious food, drinks and prize presentations. This very special day will benefit the Museum of Arts & Sciences (MOAS) Charles and Linda Williams Children's Museum in Daytona Beach. Since its inception, the Tournament has raised over \$75,000 for the Museum. The Children's Museum is an enriching destination that features the only hands-on science center between Jacksonville and Orlando. The Children's

Museum houses professionally designed interactive exhibits that demonstrate various principles of science, engineering and physics. Your contributions and participation in the Children's Museum Golf Classic will enable MOAS to continue providing fun, innovative, educational exhibits for children. Thank you for your support!

18 HOLES OF CHAMPIONSHIP GOLF

Plantation Bay has a long history of hosting major events, including sectional qualifying for the U.S. Women's Open, the qualifying site for the Champions Tour Cap Cana Open as well as several regional and state golf championships. In the past two years, the course has undergone a complete renovation. The greens have been changed to TIFF eagle, the best putting surface available and the fairways have been changed to Celebration, also considered the best. Some bunkers have been eliminated and many more have been changed to make them more playable. Lastly, every bunker has gotten new sand. The new turf has taken root and matured and now a great course is even better.
